

## SOPHISTI-CLEAN LAUNCHES NEW CLEANING KITS

**ANAHEIM, CA**, March 9, 2018 – Evriholder Products is proud to introduce the newest addition to the company's line of Cleaning items, the **Evri Home 5pc Cleaning Set**.

Keep your home clean and tidy with the **Evri Home 5pc Cleaning Set**. This kit has the essentials you need for college dorms or small apartments, and can be conveniently stored almost anywhere. The set includes a dish washing brush, heavy duty scrub brush, indoor/outdoor broom, dustpan, and handheld brush.

Clean dishes in the blink of an eye! Stuck-on food is no match for the stiff bristles of the **dish washing brush**.

The **heavy-duty scrub brush** has an easy-to-grab handle and stiff bristles to stand up to vigorous scrubbing.

The **indoor/outdoor broom** can be taken apart to store under the sink, small closets and practically anywhere. It's lightweight for easy handling and assembling. Sweep away and get rid of any unwanted dirt, dust bunnies, or debris.

The **dustpan and handheld brush** snap together for easy storage and are the perfect solution for small messes.

Offered in turquoise with gray accents. The EvriHome 5pc Cleaning Set has an MSRP of \$19.99 and can be available soon upon order.
